PART I

GENERAL.

Proceedings of the Government of Mysore,

READ :—

The following letter No. 1085—E., dated 9th April 1896, from the Secretary to the Board of Examiners —

"I am directed to state that a meeting of the Board of Examiners was held on the 30th "
"March 1896 to consider the case of Mr. Chandy and certain other candidates who failed in the "
"recent Criminal Examination for want of a few marks in one subject, although the total num- "
"ber of marks obtained, were enough for a first class pass. The Board have unanimously agreed "
"that such candidates should in future be allowed 10 per cent of the minimum marks in the "
"subject so as to entitle them to a pass."

"I am to request that Government may approve of the following addendum to Rule 5 of the "
"Examination Rules :— "

"Candidates who would otherwise be qualified for a pass in the first class and have failed in a single subject only, will be allowed 10 per cent of the minimum marks allowed for that subject by way of grace."

CAMP No. 105, DATED, MYSORE, 13TH APRIL 1896.

ORDER THEREON.—The Board's recommendation is approved. The following addendum to Rule 5 of the Examination Rules will be duly published :—

"Candidates who would otherwise be qualified for a pass in the first class, and have failed in a single subject only, will be allowed 10 per cent of the minimum marks allowed for that subject by way of grace."

READ :—

Letter No. 4663—191, dated the 26th March 1896, from the Registrar of the Chief Court, Mysore, bringing to notice the ambiguity in the wording of Rule X of the Rules for the Vend of Stamps published under the late Chief Commissioner's Notification No. 209, dated 23rd September 1870.

No. 11836-45—Mis. 1684, DATED, CAMP MYSORE, 13TH APRIL 1896.

ORDER THEREON.—Under the circumstances brought to notice Government resolve to modify the Rule so as to remove the doubt referred to in the letter read above. The following notification embodying such modification will be published accordingly :—

Notification No. 11846—Mis. 1685.

Under Section 48 of the General Stamp Act, 1869, the Government of Mysore are pleased to frame the following Rule in supersession of Rule X of the Rules published under the late Chief Commissioner's Notification No. 209, dated 23rd September 1870 :—

"Every *ex-officio* or licensed vendor shall write on the back of every stamp paper of Class 2 which he sells, a serial number; the date of sale; the name and residence of the purchaser; and, if the stamp is purchased for the use of any person other than the person who tenders the money for it, the name and residence of that other person also; and the value of the stamp in full in words, and his own ordinary signature; at the same time, he shall make corresponding entries in a register to be kept by him in such form as the Local Government may prescribe. No such vendor shall, knowingly, make a false endorsement on the stamp sold, or a false entry in his register."

By Order,
C. SREENIVASIENGAR.
Secy. to Govt., Gen. and Rev. Depts.

To—The Registrar of the Chief Court of Mysore.
The Deputy Commissioners of Districts.
The Superintendent of Stamps.

READ :—

Letter No. 218, dated the 8th April 1896, from the State Geologist in Mysore.

CAMP No. 136-146, DATED, MYSORE, 14TH APRIL 1896.

ORDER THEREON.—In the letter read above, the State Geologist brings to notice the great apathy and indifference shown by taluk and village officials in assisting the officers of the Geological Department in obtaining carts, coolies and supplies, &c., thereby causing not only loss of valuable time to the officers of the Department, but also appreciable pecuniary loss to Government. The Government attach the greatest importance to the work of this Department, and Deputy Commissioners are therefore requested to issue such instructions as will ensure the hearty co-operation of their subordinate officers with the officers of the Geological Department in the work of Geological exploration now being carried out. The attention of the Deputy Commissioners is also drawn to the Proceedings of Government No. 1932-9—M. 3-94, dated 2nd August 1894.

2. The particular instances of neglect, refusal to help, positive obstructiveness, &c, complained of by the State Geologist will form the subject of separate enquiries, and orders will be passed on receipt of reports thereon.

Secy. to Govt., Gen. and Rev. Depts.

To—The State Geologist in Mysore.
The Deputy Commissioners of Districts.
The Inspector General of Police in Mysore.

No. 11900-8—M. 133, DATED, BANGALORE, 21ST APRIL 1896.

ORDER.—In continuation of Proceedings No. 1922—M. 3-94, dated the 2nd August 1894, authorizing Dr. J. W. Evans, Senior Geologist and Analyst, to inspect all mines in the State, Government are pleased to direct that the report of the occurrence of every fatal accident at any mine may be communicated to that officer by telegram simultaneously with the telegraphic report made to Government.

Proceedings of the Government of Mysore

READ :—

Correspondence ending with letter No. 245, dated 9th April 1896, from the Principal, Central College, on the subject of awarding five special scholarships.

No. 11675-6—Edn. 374, DATED, MYSORE, 15TH APRIL 1896.

ORDER THEREON.—The Principal's recommendation that the above five special scholarships should be considered more in the nature of prizes to be awarded to the candidates in order of merit without any reference to their circumstances, is in accordance with the second para of clause 1 of Government order C. No. 42—43, dated 6th June 1890. Government are therefore pleased to approve of the Principal's recommendation.

C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts

To—The Principal, Central College, Bangalore.
The Inspector General of Education in Mysore for information and communication to the Principals of the Mysore and Shimoga Colleges.

READ :—

Letter No. 5902—263, dated 18th March 1896, from the Inspector General of Education, stating that certain Municipalities in the Bangalore, Tumkur and Chitaldrug Districts have consented to contribute towards the cost of maintaining English classes in connection with the Kannada schools in those stations, and soliciting that definite orders may be passed on the more general question, whether the Municipalities should pay any contribution at all towards the expenditure on English instruction to be hereafter provided in taluk stations.

No. 11938-48—Edn. 2-96, DATED, BANGALORE, 22ND APRIL 1896.

ORDER THEREON.—Government adhere to the opinion expressed in their Proceedings No. 20267-9—L. F. 252-93, dated 28th May 1894, which is in accordance with the principle affirmed by the Dewan in his Dasara Speech, dated 12th October 1894, namely, that Municipal Funds should provide chiefly for the extension of primary education, and they accordingly direct that no Minor Municipalities in taluks be required to contribute towards the cost of opening and maintaining any new English schools or classes, and that such cost be met wholly from Provincial Funds.

Proceedings of the Government of Mysore,

CAMP No. 161, DATED, 16TH APRIL 1896.

ORDER.—The Government of Mysore are pleased to direct that the following be substituted for Rule 519, printed at page 86 of the Mysore Jail Manual, 1894.

"519. Any prisoner who is dangerously or incurably ill and in whose case the Medical Officer of the prison has little or no hope of recovery, except from release, may be recommended by the Superintendent to the Inspector General of Prisons for discharge under the orders of Government. In these cases the Superintendent of the prison must certify that the prisoner has been guilty of no disorderly conduct while in confinement, and the Medical Officer must certify that the infirmity, which forms the ground of application for release, has not in any way been produced or aggravated by any wilful act on the part of the prisoner; that further detention in prison would endanger his life; and that there is a reasonable hope of his recovery if released from prison."

C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.

To—The Registrar of the Chief Court of Mysore.

No. 162—71, DATED, CAMP MYSORE, 17TH APRIL 1896.

ORDER.—Government observe that the present rates of the pay of Police Constables in the Province were fixed when the Police was first organized in 1873-74. But the material and economic conditions of the Province have since undergone important changes. Wages of labor and the price of food have greatly risen during the last twenty years. With the present rates of pay for Constables in the District Police (namely Rs. 7 and 6) recruiting has become difficult and there were on 30th June last 293 vacancies which it was found impossible to fill up. The quality of recruits also is deteriorating and the percentage of literate men is unduly low. Under these circumstances Government are of opinion that the increase of the pay of the District Police force should no longer be deferred They are accordingly pleased to direct that the pay of the Constables in the Province (except Bangalore City) be raised from Rs. 7 and 6 to Rs. 8 and 7 respectively with effect from 1st May 1896.

2. A correct statement showing the number of Constables whose pay has thus been raised from Rs. 6 to Rs. 7 and from Rs. 7 to Rs. 8, and the net increase thus involved, should be submitted for the information of Government.

Proceedings of the Government of Mysore.

READ :—

Correspondence ending with letter from the Deputy Commissioner of the Shimoga District, dated 11th March 1896, No. 993—726, submitting with reference to Government Proceedings dated 20th February 1896, No. 9708—L. F. 74-94, a statement showing the existing and proposed establishments of the 3rd Class Travellers' Bangalos in the District and furnishing explanation as regards certain discrepancies pointed out in the establishments attached to Musafirkhanas.

No. 11197-8—L. F. 74-94, DATED, BANGALORE, 1ST APRIL 1896.

ORDER THEREON.—The proposed revision of the establishments attached to the 17 3rd Class Travellers' Bangalos of the Shimoga District involving a decrease of 22 hands and a reduction in cost of Rs. 1,140 per annum is sanctioned with effect from 1st July 1896, by which time it is hoped that the capable men among the persons to be thrown out will all be otherwise provided for by the Deputy Commissioner.

READ —

Letter from the Deputy Commissioner, Tumkur District, dated 4th February 1896, No. 645, submitting for sanction the Budget Estimates of the District Funds for the year 1896-97.

No. 11235-9—L. F. 90-95, DATED, BANGALORE, 1ST APRIL 1896.

ORDER THEREON.—The Deputy Commissioner estimates the District Fund receipts of the Tumkur Circle for 1896-97 at Rs. 69,800 against Rs. 68,500, the estimate for 1895-96 and Rs. 68,598 the actuals of 1894-95.

2. *I. 76 per cent of Local Cess.*—The increase under this head has not been explained. In the enclosure A, showing the assets upon which local cess is realized, the one anna cess on Rs. 11,71,957 is erroneously given as Rs. 73,962 instead of Rs. 73,247. The necessary corrections being made, the estimate will be reduced to Rs. 62,480.

3. The other items of receipt call for no remarks.

4. The income as above sanctioned amounts to Rs. 69,260. Adding to this, the opening balance of Rs. 34,577 the sum available for expenditure during 1896-97 is to Rs. 1,03,837 of which a sum of Rs. 78,282 is proposed to be spent leaving a balance of Rs. 25,555 at the end of the year.

5. Under "A. Public Works to be executed by the Public Works Department," there is a provision of Rs. 50,836, which includes Rs. 2,500 under "Original works" for putting up verandahs to certain Musafirkhanas and Rs. 1,000 for the construction of a new Musafirkhana at Hagalwadi. It should be explained why only Rs. 1,000 have been provided for a new Musafirkhana, while the lowest cost of each Musafirkhana according to the standard plan approved by Government in Proceedings, dated 20th January 1896, No. 8204-13—L. F. 50-94, is Rs. 3,133. The detailed statement of repairs (enclosure C.) gives the length of the Tumkur-Maddur road as 44 miles, while maintenance has been provided for only 43¼ miles. The difference of ¾th mile represents the length of the road within Municipal limits, the cost of maintaining which is payable to the Municipality. The length will therefore be reduced to 43¼ miles. The Budget also provides for special repairs of the marginally noted roads at a cost of Rs. 2,600 which is sanctioned. The allotment for establishment will be reduced from Rs. 7,571 to Rs. 7,239 which is 17½ per cent of the cost of original works and repairs. (*vide* Proceedings No. 4449-58—L. F. 210-93, dated 23rd October 1895).

	Rs.
Banavar-Sira road ...	1,000
5 miles of Tiptur-Nagargatta road	600
Tiptur-Channarayapatna road	1,000
Total ...	2,600

6. The allotment of Rs. 8,875 under "B. Public Works to be executed by Revenue Department" is passed.

7. *Under "C. Civil Charges III. Dispensaries."*—The provision made for the pay of the waterman attached to the Konatagere Dispensary is Rs. 60 while the sanctioned scale is only Rs. 24. The excess is stated to be in accordance with the resolution of the District Fund Board, dated 18th December 1895. A separate reference on the subject should have been made as required by Government Proceedings, dated 4th April 1895, No. 16312-6—L. F. 147-94. Pending such reference the additional provision will be retained.

8. *IV. Midwives.*—According to the statement submitted by the Deputy Commissioner with his No. 486, dated 4th December 1894, there were 8 midwives on Rs. 20 each, 2 more on Rs. 15 each were sanctioned in Government Proceedings, dated 17th September 1895, No. 3783-5—L. F. 199-93, thus raising the No. to 10, but the present Budget provides for 7 on Rs. 20 and 4 on Rs. 15 each. The discrepancy requires explanation. Pending information the estimate will be retained.

9. *V. Sweepers.*—The increased provision under this head includes the salaries of sweepers of the marginally noted Musafirkhanas said to have been completed during 1895-96. Of these, sweepers for the Kunigal Musafirkhana and the Huliyurdrug old Taluk Cutcherry were sanctioned in Proceedings, dated 18th February 1896, No. 9570-1—L. F. 145-94, and Proceedings, dated 28th January 1896, No 8675-6—L. F. 228-93, respectively. The provision made for servants in the remaining places will however be retained, pending the issue of final orders on separate references which the Deputy Commissioner is requested to submit in regard to them.

Kunigal.
Yelladabagi.
Huliyurdrug.
Old Taluk Cutcherry portion.

10. *VI. Conservancy and Sanitary charges.*—A small sum of Rs. 1,370 only, is proposed to be spent on village sanitation against Rs. 3,000 sanctioned in 1895-96. This accounts for the decrease in the estimate which is passed.

11. Under "IX. Contributions" no provision is made on account of contributions towards the cost of Dispensary buildings, for which Rs. 2,000 were allowed in 1895-96. Hence the decrease in the estimate which is sanctioned.

12. The other items call for no remarks.

13. The Budget Estimates of the Tumkur Local Funds Circle for 1896-97 as sanctioned by Government are detailed in the accompanying appendices, of which an abstract is given below :—

Note—There are 14 third class Travellers' Bangalos and 23 Musafirkhanas in this District. Of the latter, those at Baichapur, Teladahagi, Poddaguni, Chelur, Kunigal, and Nonavinkere were completed in 1895-96.

READ:—

Docket from the Deputy Commissioner of the Kadur District, dated 20th January 1896, No. 538, submitting the District Fund Budget Estimates of the Kadur Circle for 1896-97.

No. 11247-51—L. F. 95-95, DATED, BANGALORE, 1ST APRIL 1896.

ORDER THEREON.—The Local Fund Board of the Kadur Circle estimate the income under District Fund for 1896-97 at Rs. 53,661 against Rs. 50,349 the sanctioned estimate for 1895-96 and Rs. 55,416 the actuals of 1894-95. The only item calling for notice is "Contribution", under which the usual contribution made by the coffee planters towards the cost of the Sollebail dispensary is omitted under Proceedings, dated 18th December 1895, No. 7050-2—L. F. 26-93, while that expected from the Sringeri Matt under Proceedings dated 20th January 1896, No. 8189-91—L. F. 51-92, is newly entered.

2. The opening balance is given at Rs. 8,000 while the actual balance on 1st July 1895 was Rs. 12,723 according to Comptroller's accounts. Adopting the Comptroller's figure as correct, the surplus of estimated income over expenditure amounts as shown in the margin to Rs. 11,490 which will be adopted as the estimated opening balance.

	Rs.
Receipts for 1895-96	50,349
Actual balance on 1st July 1895 ..	12,723
Total including balance... ...	63,072
Estimated expenditure for 1895-96 ...	51,582
Estimated closing balance ...	11,490

3. Including the above balance, the sum available for expenditure during 1896-97 is Rs. 65,151, of which the expenditure proposed amounts to Rs. 49,454, the closing balance being Rs. 15,697.

4. *A. Public Works to be executed by Public Works Department.*—Under this head a sum of Rs. 30,055 is entered. The provision is approved.

5. It has not been explained why no provision has been made on account of works to be executed by the Revenue Department. This needs explanations.

6. *Civil Charges.*—No provision has been made on account of medical scholarships and though no pre-collegiate students are to be entertained during 1896-97, still provision has to be made on account of students undergoing College course as noted in the margin. A sum of Rs. 272 will accordingly be inserted in the Budget.

	Cost per annum.
1st year's students 5 at 10 ...	Rs. 600
2nd „ 5 at 10 ...	„ 600
3rd „ 5 at 10 ...	„ 600
College fees on account of 15 students at Rs. 25 each per annum.	375
Total ...	2,175
Charge debitable to each Local Fund Circle.	272

7. *III Hospitals and Dispensaries.*—The provision under this head includes the full cost of the dispensary at Yedahalli instead of two-thirds as heretofore and is in accordance with Government Proceedings, dated 13th August 1894, No. 2551-6—L. F. 29-94. The lump sum provision of Rs. 300 made for feeding in-patients in all the Local Fund Dispensaries will be distributed among the several dispensaries to which they relate.

IV Midwives.—The Budget provides for four midwives on Rs. 20 each and two on Rs. 18 each, whereas under Government Proceedings, dated 11th December 1894 and 8th June 1895, Nos. 9497—L. F. 24-92 and 22427-9—L. F. 24-92, there should be only three on Rs. 20 each, one on Rs. 15 and the remaining two on Rs. 18 each. Pending explanation the proposed provision is retained.

V Sweepers for III Class Travellers' Bangalos and Musafirkhanas.—The correct provision that ought to be made in the Budget on account of the salaries of sweepers, &c., is Rs. 1,704, but the amount actually entered exceeds this sum by Rs. 192 on account of a Kotwal at Santaveri on Rs. 10 per mensem said to have been hitherto erroneously debited to the Taluk Baraward, and a watcher on Rs. 6 per mensem for the musafirkhana at Kotegehar. It should be explained why the pay of the Kotwal should not be debited as heretofore to Provincial Funds. As regards the watcher, it should be reported why the arrangement that was in vogue heretofore of the watcher of the bangalo looking after the musafirkhana may not continue in the future. Pending explanation the provision will stand.

The Board request an allotment from Local Funds General of Rs. 5,544 for the European Planters' ward to be built at Chikmagalur, for which Rs. 2,282-5-0 is said to have been subscribed and of Rs 40,000 to cover the cost of a large number of works now left unprovided for owing to the paucity of funds. The Deputy Commissioner is requested to address the Government separately on these matters.

Subject to the above remarks the Budget estimates of receipts and expenditure under District Funds of the Kadur Circle for 1896-97 will stand as shown in the accompanying appendices of which an abstract is given below :—

NOTE.—Since some of the 3rd Class Bungalos are converted into 2nd Class (vide Government Proceedings No. 1055-83—3328-61, dated 19th December 1895) provisions for their establishments have been omitted to be made.

READ :—

Docket from the Deputy Commissioner, Chitaldrug District, dated 15th January 1896, No. 592—202, submitting the District Fund Budget Estimates of the Chitaldrug Circle for 1896-97 together with the proceedings of the meeting of the Local Fund Board held on the 7th idem.

No. 11394-8—L. F. 96-95, DATED, BANGALORE, 8TH APRIL 1896.

ORDER THEREON.—The estimated income of the Chitaldurg District Fund Circle for 1896-97 amounts to Rs. 40,430 against Rs. 40,255, the sanctioned estimate for 1895-96 and Rs. 42,706, the actuals of 1894-95. The estimates based upon the actuals of 1894-95 and the sanctioned estimate for 1895-96 are passed.

2. Including the opening balance of Rs. 6,787 which is the estimated closing balance of 1895-96, the sum available for expenditure during 1896-97 is Rs. 47,217 of which Rs. 40,217 are proposed to be expended leaving a balance of Rs. 7,000 which is less than the prescribed minimum balance by Rs. 3,108.

3. "*A. Public Works to be executed by Public Works Department.*—"

The provision of Rs. 7,000 entered under this head on account of original works, includes Rs. 1,500 for special improvements for the marginally noted roads. The latter sum is said to be needed for special repairs to be executed in several places along these roads in addition to Rs. 2,080 sanctioned during 1895-96 for the same purpose. It is to be hoped that by efficient annual maintenance the necessity for special repairs will be obviated as far as possible.

Special repairs of—
1. Vijapur-Ujjani road.
2. Hangal-Rayadrug road.

4 "*Public Works to be executed by Revenue Department*".— The lump sum provision of Rs. 3,000 made in the Budget under this head is allowed to stand, subject to the submission of detailed statements of works to be undertaken out of the same.

5. *Civil Charges, Office Establishment.*—The increase under this head is chiefly due to the provision of Rs. 36 newly made for contingencies of the Local Fund clerk. This item will be struck out, as the charges should as heretofore continue to be met from the District office contingencies.

6. *III. Hospitals and Dispensaries.*—Under this head the Deputy Commissioner provides Rs. 40 which is ⅔ of the annual rental of a house in which the dispensary at Malebennur is located. It is however observed that under Government Proceedings, dated 14th November 1894, No. 7558-61—L F. 159-92, the whole cost is debitable to District Funds and a sum of Rs. 60 will accordingly be entered. The new provision of Rs. 50, made on account of cart-hire and other expenditure required for patients sent from Local Fund Dispensaries to the Civil Hospital will be struck out and the amounts required occasionally on this account may be met from the sum of Rs. 25 provided for feeding in-patients in Local Fund Dispensaries.

7. *IV Midwives.*—The estimate under this head, which is in excess of that sanctioned for 1895-96 by Rs. 300, will be allowed to stand, subject to the submission of a statement showing the name of each midwife, the Taluk to which she is attached, the pay allowed to her and the source from which the same is now met.

8. *Sweepers for III Class Bangalos and Musafirkhanas.*—The increase under this head is due to the Board's proposals noted in the margin. The estimate will be retained pending the issue of final orders on separate references which the Deputy Commissioner is requested to submit on each proposal.

1. Transfer of sweeper of Ramgiri Musafirkhana said to be hardly used to the recently built rest house at Banjagondanahalli.
2. Pay of caretakers of rest houses at Kallihalli, Kottige and Jammanahalli and of the Musafirkhana at Vijapur.
3. Appointment of caretaker on Rs. 3 for Ammakundi rest house.
4. Caretaker for rest house at the 5th furlong of the 4th mile Hangal-Rayadrug road, Rs. 36.

9. *VI. Conservancy and Sanitary Charges.*—The decrease in the estimate under this head is said to be due to the paucity of funds. The provision is passed subject to detailed lists of works and estimates being submitted in due course.

10. The other items call for no remarks.

11. The Budget estimates of receipts and expenditure of the Chitaldrug Circle for 1896-97 are sanctioned as per details given in the accompanying appendices of which an abstract is given below :—

Chitaldrug	1 Jogimatti	1 3rd Class Bangalo. ..	.....	Caretaker	5	60	5	60	The Musafirkhana at Ramagiri is hardly used by any of the travellers. Consequently the Board resolve upon the sweeper of this building being transferred to Ranjagondanhalli where a rest house has been newly constructed for the supervision of which appointment of a sweeper or caretaker is considered necessary. In these days when the price of the food grains have risen very high, a pay of Rs. 2 a month is hardly enough to live upon. It is therefore resolved upon that the pay of the caretakers of the rest houses at Kalihalli, Kottige and Tammenahalli and of the Musafirkhana at Vizapur be raised each from Rs. 2 to 3 a month. It is also proposed that caretaker on a monthly salary of Rs 3 be appointed to look after the rest house newly built at Amalkundi of the Molakalmuru Taluk. Appointment of a sweeper on a salary of Rs. 4 to the Musafirkhana at Hesdurga has been sanctioned in Progs. of Govt. No. 13155-6 L. F. 73-94, dated 1st March 1895 This explains the excess provision under this head.

Letter from the Deputy Commissioner, Mysore District, dated 28th March 1896, No. 1226.

With reference to the last part of para 7 of Government order No. 9323-7—L. F. 92-95 of the 12th February 1896, calling for certain explanation on the District Fund Budget of the French Rocks Circle for 1896-97, I have the honor to submit herewith a copy of the French Rocks Sub-Division Officer's docket No. 1030 of the 18th March 1896. It will be seen from it that no provision was made in the Budget for the purchase of Amrut Mahal bulls as the Board did not think it necessary to buy the bulls.

Docket No. 1030, dated 18th March 1896, from the Sub-Division Officer, French Rocks, to the Deputy Commissioner, Mysore District.

His No. 338 of the 14th instant, forwarding sanctioned Budget estimates of the French Rocks Local Fund Circle for the year 1896-97.

Adverting to para 7 of the Proceedings received with the above, begs to inform that no charge was incurred for feeding the Amrut Mahal bulls. Both the Official and Non-official Members of the Local Fund Board are against purchasing these bulls. Hence the item was omitted.

2. "Feeding charges of impounded cattle" is an uncertain item. No estimate seems necessary.

No. 11430-1—L. F. 92-95, DATED, BANGALORE, 9TH APRIL 1896.

ORDER THEREON.—Recorded.

ORDER THEREON.—The question of employing Mestris or Work Overseers or Inspectors for the supervision of Public Works carried out by Revenue Officers from District Funds, has been under the consideration of Government for some time past. Before passing final orders, however, Government consider it necessary to obtain definite proposals from the Deputy Commissioners of all the Districts in the Province. It seems desirable that the establishment to be entertained should also be entrusted with the supervision of public works in Minor Municipalities. The Deputy Commissioners should ascertain and report the normal expenditure incurred annually on public works from both funds, and to propose establishments the cost of which should not be more than ten per cent of the cost of works, such cost being debited *pro rata* to both the Funds. The number and qualifications of men to be employed, their pay, allocation and such other particulars, as may be necessary, should be reported as early as practicable.

Secy. to Govt., Gen. and Rev. Depts.

READ:—

Letter, dated 16th February 1896, No. 782, from the Deputy Commissioner of the Bangalore District, submitting the District Fund Budget estimates of the Bangalore Circle for 1896-97, together with a copy of the Proceedings of the District Fund Board held on the 27th January 1896, wherein the estimates were adopted.

No. 11544-8—L. F. 88-95, DATED, BANGALORE, 13TH APRIL 1896.

ORDER THEREON.—The income of the Bangalore District Local Fund Circle for 1896-97 is estimated at Rs. 70,750 against Rs. 70,773, the actuals of 1894-95 and Rs. 70,590 the sanctioned estimate for 1895-96. The estimate includes a new item of Rs. 5 under the head "Ferry collections." The name of the new ferry from which the income is expected and the date on which it was opened, should be reported. The other items of receipts call for no remark.

2. Including the opening balance, the sum available for expenditure during 1896-97 is Rs. 89,628, of which Rs. 71,975 are proposed to be expended, leaving a balance of Rs. 17,653 at the end of the year.

3. *Public Works to be executed by Public Works Department.*—The provision for original works includes Rs. 3,000 for opening a road from Kankanhalli to Anekal and Rs. 1,000 for 10 stone rollers, for which estimates are stated to be under preparation. The provision will be retained, subject to the estimates being passed in the Public Works Department. It should be explained whether the provision of Rs. 27,185 made under "II. Repairs" includes the mileage allotment payable to the Municipality of the Bangalore City for the maintenance of District Fund roads within Municipal limits.

4. *B. Public Works to be executed by the Revenue Department.*—The lump sum provision of Rs. 8,000 made under this head is passed subject to lists of works and estimates being submitted in the usual course. How much of this is for original works and how much for repairs should have been stated, and the names of the principal works proposed to be undertaken should have been specified.

5. *Civil Charges.*—Under the head "I. Office establishment" an increase of Rs. 145 has been provided in order to meet the cost of the marginally noted items. The proposal to raise the pay of the Statistical Clerk and Local Fund Clerk was approved by the District Fund Board, and the Deputy Commissioner supports the Board's resolution on the ground of increase of work and inadequacy of the present scale of pay. The proposal is sanctioned and the provision approved with the observation that in future all proposals for additional establishment or for increase of pay to existing establishment should form the subject of a separate communication, and that until the sanction of Government is obtained no provision therefor should be entered in Budget estimates. But the new item of Rs. 25 on account of contingencies will be struck out as such charges have to be met, as heretofore, from the District office contingencies.

	Rs.
1. Increase to the salary of the Statistical Clerk from Rs. 20 to Rs. 25 per mensem ...	60
2. Ditto Local Fund Clerk from Rs. 15 to Rs. 20 per mensem	60
3. Contingencies	25
Total ...	145

6. *III. Hospitals and Dispensaries.*—The increase under this head is chiefly due to the provision newly made on account of the cost of the dispensary at Yelahanka sanctioned in Government Proceedings, dated 18th November 1895, No. 6072-3—L. F. 22-94.

7. *IV. Midwives.*—Under this head provision is made for the scholarship of only one pupil to be trained as midwife instead of two sanctioned in the Budget for 1895-96. This accounts for the decrease in the estimate, which is passed.

8. *Sweepers for Travellers' Bangalos and Musafirkhanas.*—The provision under this head includes the pay of a servant on Rs. 5 per mensem proposed for the Kodihalli Travellers' Bangalo under District Fund Board's resolution, dated 31st July 1895, and of three servants for the Channapatna Bangalo as well as the pay of servants for the marginally noted III Class Bangalos. No separate reference has been received in regard to the entertainment of a servant for the new Bangalo at Kodihalli, nor has the information called for in Government Proceedings, dated 26th November 1894, No. 8344—L. F. 9-94 and 19th March 1895, No. 15149-50—L. F. 9-94, in regard to the remaining servants above referred to, been furnished. Pending the receipt of such separate reference and information, the provision will be allowed to stand.

1. Nelamangala.
2. Magadi.
3. Closepet.
4. Kumbalgode.

9. *VI. Conservancy and Sanitary Charges.*—Under this head provision has been newly made for a watcher for the Suvarnamukhi pond at Bannerghatta, sanctioned temporarily in Government Proceedings, dated 22nd February 1896, No. 9818-9—L. F. 91-94, and for the maintenance of watershed during summer wherever necessary. The provision is passed. The other items call for no remark.

The estimated receipts and expenditure of the District Fund Budget of the Bangalore Circle for 1896-97 are sanctioned as per details given in the accompanying appendices, of which an abstract is given below:—

READ :—

Docket, dated 24th February 1896, No. 3105-829, from the Deputy Commissioner of the Kolar District, submitting the District Fund Budget estimates of his District for the year 1896-97.

No. 11597-601—L. F. 89-95, DATED, BANGALORE, 14TH APRIL 1896.

ORDER THEREON.—The Kolar District Fund Board estimate the income for 1896-97 at Rs. 77,500 against Rs. 77,313 the actuals of 1894-95, and Rs. 77,000 the sanctioned estimate for 1895-96. The estimate calls for no remark except that the source from which a sum of Rs. 200 is anticipated under the head "Miscellaneous" has not been stated and that the omission should be now supplied.

2. Including the opening balance of Rs. 54,916 the sum available for expenditure during 1896-97 is Rs. 1,32,416 of which Rs. 1,11,688 are proposed to be expended, leaving a balance of Rs. 20,728 at the end of the year.

3. Under the head of "Original works" to be executed by Public Works Department a sum of Rs. 2,000 is newly provided to meet the cost of railings to be put up on tank bunds to prevent accidents to carts. The estimate is allowed. The provision under "II. Repairs" includes the cost of special repairs of the marginally noted roads and increased mileage rates for the following two roads said to have been tentatively approved by the Board.

	Rs.
(1) Mulbagal-Goribidnur road.	1,845
(2) Perisandra-Goribidnur road.	1,092
(3) Budikota Railway feeder.	1,255
	4,192

		Mileage rate.	
		Existing.	Proposed.
1	Kolar-Venkatagiri road	50	60
2	Mulbagal Railway feeder	80	100

4. The provisions are passed for 1896-97, but it is hoped that the necessity for the execution of special repairs to roads will be obviated by the proper maintenance of them with the usual annual mileage allotments. The increased mileage rates for the two roads referred to will be sanctioned tentatively for one year as proposed by the Board. The provision under "Establishments" will be reduced from Rs. 6,953 to Rs. 6,063, which latter sum represents 17½ per cent of the estimate for original works and repairs.

5. *B. Public Works to be executed by Revenue Department.*—The provision of Rs. 39,500 made under this head is passed. The Deputy Commissioner is requested to pay special attention to the prompt and satisfactory execution of works undertaken by the Revenue Department.

6. *Civil Charges.*—The correct total of details of the provision for the female dispensary at Kolar is Rs. 422 and not Rs. 402 as erroneously entered in the Enclosure D. The estimate will therefore be raised by Rs. 20.

7. The provision newly made on account of two additional midwives accounts mainly for the increase under the head "IV. Midwives." The estimate will be passed.

8. Under the head of "Sweepers for third class bangalos and musafirkhanas," provision is newly made for the salaries of servants for the marginally noted buildings. The employment of servants for the Haji Ismail Sait's chattram and the musafirkhana at Thodagollu has been sanctioned in Government Proceedings, dated 27th January 1896, No. 8598-9—L. F. 70-94, and the Deputy Commissioner is requested to make a separate reference in regard to the employment of servants in the remaining places. Pending such reference and the receipt of information called for in Government Proceedings, dated 2nd March 1896, No. 10073—L. F. 70-94, the estimate proposed will be retained.

	Rs.
1 Haji Ismail Sait's Chattram in the Kolar Gold fields.	96
2 Musafirkhana at Thodigollu.	48
3 Ditto Byrakere...	48
4 Travellers' Bangalo at Thondebhavi.	48
5 Ditto Ronur	48

9. The other items call for no remarks and are passed.

10. The Budget estimates of the District Funds of the Kolar Circle for 1896-97 are sanctioned as per details given in the accompanying appendices, of which an abstract is given below :—

MYSORE CITY MUNICIPALITY.

Revised Budget Estimates of Expenditure under head VIII., Public Works, during the year 1895-96.

Sub-heads.	Original grant.	Revised grant as proposed.	Difference. More.	Difference. Less.	Remarks.
Roads, original	500	560	60	...	Rs. 61 has been appropriated for the completion of the incomplete works of the last year.
Roads, repairs	12,000	12,500	500	...	The heavy rains during the month of October cut off many portions of the roads necessitating expensive repairs, and on account of the Viceroy's visit, roads not provided for in the original estimate had to be reformed with metal; hence this additional amount is required.
Drains, original	4,000	4,505	505	...	Due to appropriation having been made for the completion of the incomplete works of last year.
Drains, repairs	500	1,500	1,000	...	As Rs. 237 out of the original grant has been appropriated for the completion of the incomplete works of last year, this extra amount is required to repair the main sewer, which requires early attention. Hence excess.
Building, original	3,000	3,500	500	...	Due to appropriation having been made for the incomplete works of last year.
Building, repairs	500	1,000	500	...	Rs 289 do do and repairs of other small buildings.
Water-supply, original	500	800	300	...	The excess due to the appropriation of Rs. 311 for the completion of incomplete works of last year.
Water-supply, repairs	500	500	...	...	Do do.
Other works, original	500	1,000	500	...	This is provided for constructing dust-bins in places where they are much needed.
Other works, repairs	...	...	...	...	Do do.
Compensation	5,000	9,090	4,090	...	Rs. 1,938 of the original grant has been appropriated for the payment of the claims of last year. The remainder is required to meet the cost of extending the roads recently approved by Government. Therefore the amount now applied for is required for opening out other roads which are under contemplation.
Road watering	100	100	..	...	Do do.
Reserve	400	400	..	..	Do do.
Tools and plant	500	1,000	500	...	Rs. 200 has been appropriated for the purchase of stone roller sanctioned last year, and the remaining amount is for the purchase of two more rollers as they are very urgently required.
Total ...	28,000	36,455	8,455	...

ORDER.—The Government are pleased to direct that in the form of "Register for special notices" prescribed in Government Proceedings No. 4377-84—R. 634-92, dated 14th September 1892, between the first column showing the, general number and the second column showing the name of the registered khatedar two columns be opened, one to show the name of the hobli and the other the name of the village to which the land belongs.

C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.

To—The Deputy Commissioners of Districts.

READ:—

Letter No. 2891—781, dated 9th February 1896, from the Deputy Commissioner, Kolar District

Adverting to Government Proceedings No. 6227-36—Pet 1265, dated 10th January 1896, directing the discontinuance of the practice of referring regular claims to hereditary village offices to Amildars for enquiry and report, I have the honor to submit for orders the accompanying copy of Mr. Assistant Commissioner Naranaiengar's docket No. 455, dated 4th instant, requesting instructions whether he, not being in charge of the Kolar Taluk, is legally competent to try and decide a similar claim relating to that Taluk referred to the Treasury Assistant Commissioner by the Deputy Commissioner for disposal.

2. The Government Order quoted above while prohibiting the Deputy Commissioners from referring such claims to Amildars for enquiry and report does not seem to curtail the powers of Assistant Commissioners otherwise having jurisdiction in the matter.

3. The case in question was referred to the Treasury Assistant Commissioner under the authority contained in the first para of Government Proceedings No. 1925-32—G. 489-92, dated 5th August 1892, which directs that the powers to be exercised by Assistants not in charge of Taluks must be regulated from time to time by each Deputy Commissioner with reference to special qualifications of the Assistants concerned, and the reference was therefore legal under the provisions of para 3, Section 8 of the Land Revenue Code.

4. In these circumstances I have, subject to the approval of Government, communicated the above view to Mr. Naranaiengar, and have asked him to proceed with the case on the dates to which the same has been posted.

No. 455 enclosure to the above.

In submitting herewith the record in revenue suit No. 2 of 1895-96, in which the Plaintiffs Baira and others claim a share in the office as well as emoluments of the office of toti of Manigatta, Kolar Taluk, and which was transferred by the Deputy Commissioner to the Treasury Assistant Commissioner for disposal, has the honor to state that the issues in the case having been settled, the enquiry is posted to be held at Manigatta on Saturday and Sunday the 15th, and 16th instant.

The undersigned did not hand over the record to Mr. Abdul Aziz along with the charge of the Malur and Mulbagal Taluks, as the case belongs to the Kolar Taluk and was transferred to the Treasury Assistant Commissioner. But the recent Order of the Government, dated 10th January 1896, No. 6227-36—Pet. 1265, says that claims to hereditary village offices are "to be enquired into and decided by Deputy Commissioners."

Under para 4 of Land evenue ule XLIII such claims should be instituted before the Deputy Commissioner or Assistant in charge of the Taluk. As the undersigned is not in charge of the Kolar Taluk requests to be instructed as to whether his enquiry into the case and deciding it would be legal under the Code.

No. 9142-49—R. 3539, DATED, BANGALORE, 4TH APRIL 1896.

ORDER THEREON.—Section 221 of the Land Revenue Code excludes certain matters from the jurisdiction of Civil Courts. Para 3 of Rule XLIII of the Mysore Land Revenue Rules lays down that all cases thus excluded "are adjudicable by Revenue Officers." Para 4 of the same rule enumerates certain cases and lays down that they "are not cognizable by the Amildars." It further provides that "the suits or claims in such cases should be instituted before the Deputy Commissioner or Assistant Commissioner in charge of the Taluk." This para thus makes a distinction between *taking cognizance of cases* and *institution of cases*. The Amildar's cognizance being expressly barred the claims referred to above have to be taken cognizance of by officers superior in rank to Amildars. An Assistant Commissioner not placed in charge of a Taluk is one of such officers. There is, therefore, nothing to prevent him from taking cognizance of such claims. But as shown above there is an express provision as

regards the officers before whom such claims should be instituted. An Assistant Commissioner not placed in charge of a Taluk is not one of those officers. It follows from this that cases of the kind under notice *cannot be instituted* before him, though they can be *taken cognizance of by him*. In other words when any such claim, though not entertainable by him in the first instance, comes properly before him by transfer after its institution before the Deputy Commissioner or an Assistant Commissioner in charge of a Taluk, it clearly becomes cognizable and adjudicable by him. In the present case the claim was instituted before a competent authority, namely the Deputy Commissioner, and was subsequently transferred by him for disposal to Mr. Naranaiengar, who is an Assistant Commissioner not placed in charge of a Taluk, and to whom the Deputy Commissioner can, under the general or special orders of Government, assign such particular duties and powers as he may from time to time see fit (*vide* para 3 of section 8). On the authority of the orders of Government conveyed in Proceedings No. 1925-32—G. 480-92, dated 5th August 1892, Deputy Commissioners are competent to regulate from time to time the powers of Assistant Commissioners not placed in charge of Taluks with reference to their special qualifications. In pursuance of this the Deputy Commissioner of Kolar, was competant to authorize Mr. Naranaiengar to enquire into and decide cases of the several classes specially mentioned in para 4 of Rule XLIII after their institution before himself, or before an Assistant Commissioner in charge of a Taluk. To be able so to enquire into and decide Mr. Naranaiengar is competent to take evidence in the manner prescribed by law, and there is nothing in Government Proceedings No. 6227-36—P. 1265, dated 10th January 1896, to preclude him from doing so. The object of that Order was simply to condemn as illegal the practice of Amildars being asked to hold an enquiry into cases not adjudicable by them. Under these circumstances Government are of opinion that the view taken by the Deputy Commissioner of Kolar is correct.

EXCISE.

Proceedings of the Government of Mysore

READ.—

Letter No. 9674—253, dated 19th December 1895, from the Excise Commissioner in Mysore, submitting a report on the working of the present system of classification, together with a statement showing the consumption, of Ganja and Majam, and recommending the introduction of the auctioning system from 1st July 1896.

No. 93-94, DATED, CAMP MYSORE, 11TH APRIL 1896.

ORDER THEREON.—The system of classification sanctioned in Government Proceedings No. 4489-98—R. F. 176-92, dated 9th September 1894, has not been tried sufficiently long to justify its being so soon condemned and re-placed by a system of auction sales. Government are not, therefore, prepared to accept the Excise Commissioner's recommendation in its entirety. There is, however, nothing to prevent shops in selected localities being sold where there is a likelihood of *bond fide* competition. Purchasers at such sales will not, however, be exempted from payment of license fees.

2. The experience gained during the past year has led to certain modifications being suggested in the classification of shops. The Excise Commissioner's suggestion will be accepted and the classification of shops amended as shown in the appended list.

C. SREENIVASIENGAR,
Secy. to Govt., Gen. and Rev. Depts

READ:—

Letter No. 2674—258, dated 19th December 1895, from the Excise Commissioner in Mysore, submitting a report on the working of the present system of classification together with a statement showing the consumption of opium, and recommending the introduction of the auctioning system from 1st July 1896.

No. 95-96, DATED, CAMP MYSORE, 11TH APRIL 1896.

ORDER THEREON.—The system of classification sanctioned in Government Proceedings No. 549, dated 27th June 1894, has not been tried sufficiently long to justify its being condemned and re-placed by a system of auction sales. Government are not therefore prepared to accept the Excise Commissioner's recommendation in its entirety. There is, however, nothing to prevent the shops in selected localities being sold by auction where there is a likelihood of *bonâ fide* competition. Purchasers at such sales will not, however, be exempted from payment of license fees.

2. The experience gained during the past year has led to certain modifications being suggested in the classification of shops. The Excise Commissioner's suggestion will be accepted and the classification of shops amended as shown in the appended list.

C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.

To—The Excise Commissioner in Mysore.
The Comptroller to the Government of Mysore.

Correspondence ending with letter No. 4040—379, dated 22nd March 1895, from the Excise Commissioner in Mysore, submitting a memorandum suggesting the amalgamation of the Arrack and Toddy branches of the Excise executive staff together with the opinions of all the Deputy Commissioners thereon, and also a draft Circular proposed to be issued by him defining the duties and powers of each class of Excise officers of the amalgamated Inspection staff.

No. 9500 509—Ex. 286, DATED, CAMP MYSORE, 14TH APRIL 1896.

ORDER THEREON.—The Excise Commissioner proposes the amalgamation of the Executive or Inspection staff of the Arrack and Toddy branches of the Excise Department. Both the Deputy Commissioners and the Excise Commissioner have given the matter their best consideration, and their views and opinions commend themselves to Government. The Excise Commissioner has, as far as possible, adopted the suggestions made by the Deputy Commissioners as regards the arrangement of ranges and the distribution of the staff. The proposal is, in the opinion of Government, a good one. It involves no additional cost to Government, the total cost of the present Arrack and Toddy executive establishments being the same as that of the proposed amalgamated staff, namely, Rs. 5,329 per mensem. The new Toddy system having passed the stage of experiment, the amalgamation recommended by the Excise Commissioner is not likely to have a prejudicial effect on the Toddy administration of the Province. The details of the proposal have been carefully thought out by the officers concerned, and Government agree in thinking that the efficiency of service in both Arrack and Toddy branches is likely to be secured by giving effect to the proposal.

2. With the foregoing observations Government are pleased to accord their sanction to the Excise Commissioner's proposal The Inspection or Executive staff of the two branches (as now amalgamated) will stand as detailed below, the designation of the present Arrack testers and Toddy darogas being changed into Inspectors and Supervisors, respectively.

3. The draft rules framed by the Excise Commissioner seem sufficient for all practical purposes, and may be given a trial subject, of course, to modification and improvement after some experience shall have been gained of the work done by the amalgamated staff.

Proceedings of the Government of Mysore.

Correspondence ending with letter No. 2474—234, dated the 27th January 1896, from the Conservator of Forests in Mysore, *in re* the conduct of Mr. Assistant Conservator Sitaramaiya, in connection with the issue of certain licenses for felling and removing Thopalè trees and bark in the Anekal Taluk of Bangalore District in October and November 1894.

Correspondence ending with letter No. 2983—278, dated 26th March 1896, from the same Officer, *re* the short collection of gall-nut in the Mysore District in 1893-94.

CAMP NOS. 119 to 130, DATED, MYSORE, 13TH APRIL 1896.

ORDER THEREON.—On the 2nd October 1894, one Balaiya obtained a license (Exhibit E) from the Bangalore District Forest Officer Mr. Sitaramaiya, to cut and remove 50 cart-loads of firewood and 2 cart-loads of Thopalè bark from the District jungle of Anekal Taluk. Balaiya employed three persons, named Muhammad Umar, Miransab and Survar Khan, as his agents, for felling and removing the wood and bark. Within a month from the date of the license, 52 cart-loads specified therein were actually removed. On the 31st October 1894, one Bakur Ali Khan complained to the Deputy Commissioner that a wholesale destruction of Thopalè trees was going on in the Anekal Taluk under cover of the license granted to Balaiya. On the following day (1st November 1894) one Abdul Masjid, representing himself to be the partner of Balaiya, obtained from Mr. Sitaramaiya two fresh licenses (Exhibits D & N), one for 2 cart-loads of bark and the other for 50 cart-loads of wood. Within 48 hours of the granting of these licenses the police, on inspection of the tract where felling had taken place, found that 59 cart-loads of wood and 4 of bark were already felled and kept ready for transport. As all this extra wood and bark were apparently felled without license and before D & N were issued. Balaiya and the Mussalmans were criminally prosecuted before the Bangalore Taluk Magistrate, who convicted them under Sections 379, 403 or 426 of the Indian Penal Code and sentenced each to pay a fine of Rs. 150. On appeal this conviction was reversed by the 1st Class Magistrate, Mr. Raghunatha Rao; but on a representation made by Mr. Ricketts, the Inspector General of Forests, that there was a gross miscarriage of justice in the acquittal of the delinquents, an appeal was preferred by Government to the Chief Court, which restored the Taluk Magistrate's conviction and sentence as regards the said three Mussalmans. The Judges animadverted on Mr. Sitaramaiya's conduct in these terms:—

"The application for licenses was made on 1st November, and on the same day money was paid into the Taluk Treasury and licenses were given to the applicant. The Forest Officer has deposed that he knew that license E had not been then returned to his office, and that it was improper to grant licenses to two persons permitting them to cut wood at one and the same time and in the same forest. He granted licenses D & N on the assurance of the applicant that he and the holder of license E were partners. He did not state why he did not examine Balaiya, the first licensee, or make an independent enquiry regarding the truth of the applicant's allegation. He may be able to justify himself if the head of his department calls for an explanation. So far as we can judge from the evidence which has been placed before us, he seems to have acted inconsiderately or played into the hands of the applicant for licenses D & N. The date of the application, considered by itself, may not signify much. It may be that it was a mere accident that the petition of complaint had been made one day before. But the complaint, the date of the applications for licenses, the facility of the Forest Officer and the immense quantity of wood and bark which were found ready for transport when the Police Inspector of Bangalore made a surprise visit on 3rd November, force us to conclude that the accused persons had got all this quantity of wood and bark under cover of Exhibit E, and that when they apprehended that their dishonesty might be detected, they got licenses D & N to give an honest appearance to their conduct."

2. Mr. Sitaramaiya, though repeatedly called upon to explain his conduct, on 27th May, 13th August and 6th November 1894, delayed doing so till after Mr. Ricketts was relieved of his office by Colonel Campbell Walker, and the explanations now submitted are anything but satisfactory. He now states (though this was not urged in his examination before the Criminal Court) that he did not wait for the return of Balaiya's first license (E) because there was a practice in the District of issuing a license before the one already granted was returned. If such a practice actually exists, it is irregular and unauthorized, and should be discontinued at once as it opens

a wide door to fraud. In the present case, however, it must be remarked that as the license already issued was for a large quantity of wood and bark, and the fresh licenses asked for were also for an equally large quantity to be felled in the same locality on account of the first license holder, Mr. Sitaramaiya should have insisted on the production of the first license and further satisfied himself, either by personal enquiry or by reference to the Octroi Department and Revenue authorities, whether the fresh application was admissible, whether the applicant was really a partner of Balaiya, and whether there were any District jungles or Thopalè trees in the tracts specified in the application. There was no enquiry on any of these points. The undue haste with which the fresh application was granted, coupled with the fact that, before the licenses were applied for and obtained, a very large quantity of wood and bark had already been felled, justify the unfavorable remarks recorded by the Judges. It may here be noted that the licenses D & N specified the names of some villages which did not exist, and of others in which there were no District jungles. A Forest Officer is bound to make all the necessary enquiries, by local inspection or otherwise, before granting a license; and felling and removal of wood or bark cannot be permitted to take place, on the mere application of a party, in an unknown or unascertained jungle. It is said that several other licenses were granted on the same day and that the licenses in question were also granted as a matter of course. This explanation cannot be accepted, and the peculiar circumstances of the present case raise a strong suspicion as to the *bona fides* of the transaction.

3. The Deputy Commissioner (Mr. Purnaiya), in submitting Mr. Sitaramaiya's explanation, states that the tract where the wood and bark were felled was neither a State forest nor a District jungle but gomal land, and that there was an objectionable practice in the District of preparing bark before obtaining license. It was all the more necessary under the circumstances for Mr. Sitaramaiya to have made proper enquiries before he granted the licenses.

4 On a careful perusal of the whole proceedings and correspondence connected with this case, the Government are constrained to remark that, in granting the licenses in question, Mr. Sitaramaiya has betrayed gross carelessness and culpable neglect of duty.

5. His conduct in connection with the collection of gall-nut in the Mysore District in 1893-94, was even more blame-worthy. The probable out-turn according to his own estimate was 3,867 maunds, while the quantity actually collected under his orders was only 233 maunds. This considerable falling off, and the consequent heavy loss of Government revenue, were in no small measure due to his negligence and gross laxity of supervision. He failed entirely to realize the responsibility attaching to his position. Government are satisfied that the collection season had nearly come to an end when he was transferred from the Mysore District, and that his assertion to the contrary is wholly devoid of foundation.

6. In another case also (Hunsur sandal frauds) Mr. Sitaramaiya was, in Proceedings No. 5671—F. 51-95, dated 19th December 1895, found fault with, for his flagrant omission to enforce a strict observance of departmental rules, and to exercise an efficient check over the doings of his subordinates, thereby facilitating the perpetration by the latter of extensive frauds on Government in connection with the collection and transport of sandalwood in the Mysore District.

7. Taking all the foregoing circumstances into consideration, Government have no hesitation in arriving at the conclusion that Mr. Sitaramaiya merits a severe punishment for his persistent disregard of the interests of Government which he is paid to protect. They accordingly direct that he be degraded from the 2nd to the 3rd class of Assistant Conservators and transferred to another District where he will be tried for a year, at the end of which period a report should be submitted as to his fitness or otherwise for retention in the Forest Department.

The following letter No. 3374—313, dated the 15th April 1896, from the Conservator of Forests in Mysore.

I have the honor to submit a statement showing the quantity of sandalwood disposed of and the value realized therefrom at the auction sales held in Shimoga, Kadur, Hassan, Bangalore and Mysore districts during November and December 1895, together with a comparative statement of rates obtained at the several kotis for different descriptions of sandalwood.

2. The quantity exposed for sale was about 2,364 tons, inclusive of 215 tons which remained unsold from the previous year. Out of this 2,072½ tons were disposed of for Rs. 7,97,089, against 2,105$\frac{3}{15}$ tons sold for Rs. 8,27,390 in the previous year.

3. The attendance of merchants from different parts, *viz.*, Bombay, Tellicherry and other places, was as usual fair. But owing to the dull state of the market, especially the European, competition was not keen and rates offered being consequently lower than those of last year, about 292 tons of wood were withheld and will be sold next year.

4. Mr. Muttappa, Assistant Conservator of Forests on special duty in connection with sandalwood classification, &c., who attended these sales in conjunction with the respective District Forest Officers' reports, "It cannot be said with any degree of accuracy whether the reluctant way of bidding was due to combination among purchasers, or to the dulness of the market, or to the large quantity of wood put up for sale annually at our kotis. I think the fall in the price of sandalwood oil and the fluctuating exchange have interfered with our sales to some extent". Further on, he says, "Several of the sandalwood oil distillers of South Canara had to close their stills owing to the fall in the price of sandalwood oil which, it is believed, has resulted by the importation from Germany of oil extracted from a cheaper description of sandalwood (which is probably not identical with Mysore wood) procured from other countries. Fortunately for the distillers of South Canara, this adulterated sandalwood oil has, it is understood, already received a check from merchants of Bombay and other places and that the demand for such oil has begun to disappear. It is hoped that the importation of this impure sandalwood oil will cease and the trade in oil manufactured from the best Mysore sandalwood will revive before long."

5. In order to maintain uniformity in the existing system of working in the kotis and also to bring in more revenue Mr. Muttappa has proposed a revised sandalwood classification in a memo now under circulation among the Forest Officers for opinion. Mr. Muttappa has since been to Bombay to study the details of sandalwood trade and its classification in the Bombay market. He has now submitted proposals for a fresh classification of sandalwood based on the demand and other circumstances of the locality. To test the success of this measure I have authorized the District Forest Officer, Mysore, to adopt the same as an experimental measure in the kotis of his district. A report on the results of the working of this system will be submitted in due course.

6. The enumeration of sandalwood trees is in progress, but must necessarily take a long time Meanwhile, I have tentatively restricted the quantity to be collected annually at 1,850 tons distributed as per margin. This quantity with that remaining unsold this year will represent about 2,150 tons to be disposed of next official year. It is also proposed to commence the sales in Shimoga and Mysore in alternate years instead of always in Shimoga (Sagar) as hitherto. This is in accordance with a suggestion which emanated from some of the sandalwood merchants and commended itself to Mr. Muttappa. If finally adopted we shall have to arrange with Coorg to sell their wood before ours instead of afterwards in alternate years.

No. 9626—Ft. F. 31-95, dated, Bangalore, 23rd April 1896.

Order thereon.—The total quantity of sandalwood of all classes sold during the year was 2,072½ tons and the amount realized therefrom was Rs. 7,97,089 against 2,105¾ tons with a realization of Rs. 8,27,330 in the previous year. The decrease is attributed to the dulness of the market. The Assistant Conservator on special duty in connection with sandalwood reports that the fall in the price is also partly due to the importation from Germany of oil extracted from a cheaper description of sandalwood procured from other countries. As this article has not found favor with the merchants of Bombay it is hoped that the trade in oil manufactured from the best Mysore sandalwood will revive at no distant date.

2. The Conservator has tentatively restricted the quantity to be annually collected to 1,850 tons, which, with the quantity remaining unsold, will give about 2,150 tons to be disposed of next official year.

3. The Conservator's report on the revised classification of sandalwood suggested by Mr. Muttappa, Assistant Conservator of Forests, will be awaited. The question of commencing the sales in Shimoga and Mysore in alternate years instead of always in Shimoga as hitherto should form the subject of a separate reference which the Conservator is requested to make with a detailed statement of reasons in support of his proposal and of the grounds on which the Chief Commissioner of Coorg has to be addressed as regards the date of sales in Coorg.

Correspondence ending with letter No. 3220—295, dated 6th April 1896, from the Conservator of Forests in Mysore, reporting on the result of the enquiry held into the conduct of Mr. Ramaswami Iyer, Assistant Conservator of Forests, Kolar District.

C. Nos. 108 to 118, dated, Mysore, 13th April 1896.

Order thereon.—Government see no sufficient reason to question the *bona-fides* of the acquisition of lands made by Mr. Ramaswami Iyer in the Devanhalli Taluk, though they must express their emphatic disapproval of his conduct in making such acquisition without the previous permission of Government.

2. With regard to the second charge, *viz.*, falsification of diary on 17th September 1895, it is admitted that on that date Mr. Ramaswami Iyer visited Devanhalli in connection with the acquisition of lands above referred to. His Journal of Occupation however is not only altogether silent about that visit, but also records a visit to Hossur and back on public duty. Though it is possible that he visited both those places on the date in question, Government find that the Journal contained a suppression of the whole of the facts with the intention of misleading Mr. Ramaswami Iyer's official superior.

3. It must further be observed that Mr. Ramaswami Iyer's visits to, and inspections about, Vadagenahalli, were not undertaken on *bond-fide* Government duty, but were intended as a pretence of doing work and claiming batta while really engaged on private business. Such conduct on the part of a Forest Officer of Mr. Ramaswami Iyer's position cannot be lightly treated.

4. Colonel Campbell Walker, however, recommends that Mr. Ramaswami Iyer be mercifully dealt with in the present instance, and in compliance with this recommendation, the Government resolve to punish Mr. Ramaswami Iyer with suspension (with loss of pay and service) for a period of three weeks from the date on which he was placed under suspension pursuant to Order No. 8694—Ft. 581, dated 25th March last, and to restore him to his appointment at the end of this period with a warning that, should he be found wanting in any way on a future occasion, he will be summarily removed from the service. He should be transferred to another District, and thus have an opportunity of redeeming his character for good honest work under fresh surroundings.

5. Government hold that Mr. Ramaswami Iyer's batta bill for October 1895 was rightly disallowed.

Letter No. 695, dated 18th February 1896, from the Deputy Commissioner, Tumkur District.

I have the honor to submit for sanction and transmission to the Registrar of Joint Stock Companies for registration, the accompanying Articles of Association of the proposed Agricultural Bank at Manchagal Kuppe in the Tumkur Taluk.

2. The stamp duty of Rs. 5 chargeable on the Articles of Association has been recovered and a certificate to that effect has been endorsed thereon. A public service transfer receipt for Rs. 1-8-0, being the fee required for registration, is also forwarded, together with a statement showing the particulars of the proposed Bank and its members as prescribed in Government order No. 5038-47—Fl. 274, dated 2nd December 1895. Extract from the Taluk map also accompanies.

3. The Bank will start with 29 members. All of them appear to be solvent inasmuch as thirteen of them own property valued at Rs. 1,000 and upwards, eleven own property worth between Rs. 500 and 1,000 and five own property less than Rs. 500.

4. The members propose to conduct the Bank with a capital of Rs. 25,000 to be lent to it by Government. I agree with the Amildar in the opinion that Rs. 15,000 may be advanced to them from time to time.

No. 9049-51—R.F. 113-95, DATED, BANGALORE, 1ST APRIL 1896.

ORDER THEREON :—Government are pleased to sanction an advance of Rs. 15,000 for the proposed Agricultural Bank at Manchagal Kuppe of the Tumkur Taluk, and to authorize the Deputy Commissioner to place the said sum at the Tumkur Taluk Treasury for the purpose. Interest must be recovered from the Bank half-yearly up to 30th June and 31st December of each year at 4 per cent per annum on the sums actually borrowed by the Bank.

The Memorandum and Articles of Association received from the Deputy Commissioner with the Public Service Transfer Receipt for Rs. 1-8-0 being the registration fee, will be forwarded to the Registrar of Joint Stock Companies for registration.

Letter No. 924—671, dated 22nd February 1896, from the Deputy Commissioner, Shimoga District.

I have the honor to submit papers as per margin for the consideration and orders of Government.

1. Loan application with Amildar's report No. 604, dated 7th February 1896.
2. Memorandum and Article of Association.
3. Statement showing the applicants' property, &c.
4. Extract from the Taluk map of the village of the applicants.

2. Issur is well-to-do and important village near Kasba Shikarpur and the applicants are of good character and careful habits. Twenty out of the 24 are Sivachars, the patel especially being a member of a respectable family. Between them they own about 300 acres, 203 Sarkar and 95 Inam. The Amildar's estimate of Rs. 25 per acre is absurdly low, as lands in these parts are very much appreciated and command about Rs. 100 an acre. Besides these, their house property is worth about Rs. 3,000 more, while their debts do not exceed Rs. 2,000. Though they have applied for Rs. 7,000 only in obedience to the advice of the Amildar that the loan should not exceed the estimated worth of their lands, they personally represented to me that they want about Rs. 12,000 in order to extend their sugar-cane cultivation and export of jaggery to Byadgi. As however a larger loan than what has been applied for cannot be granted, their prayer for an additional loan may be considered later on after an experience of about six months of the working of this Bank.

3. I recommend therefore that a loan of Rs. 7,000 may be sanctioned at present and the papers transferred to Registrar of Companies for registry.

4. Early orders are solicited as the applicants are in need of funds for starting their sugar-cane cultivation, manufacture of jaggery, &c., and for payment of kandayam.

No. 9059-61—R. F. 116-95, DATED, BANGALORE, 1ST APRIL 1896.

ORDER THEREON.—The Government are pleased to sanction an advance of Rs. 7,000 as recommended by the Deputy Commissioner for the proposed Agricultural Bank at Issur, and to authorize him to place the said sum at the Shikarpur Taluk Treasury for the purpose. Interest must be recovered half-yearly from the Bank up to 30th June and 31st December of each year at 4 per cent per annum on the sums actually borrowed by the Bank.

The Memorandum and Articles of Association received with the letter read above will be returned to the Deputy Commissioner of Shimoga, with a request that he will take early steps to get the same duly registered.

Letter No. 923—670, dated 22nd February 1896, from the Deputy Commissioner, Shimoga District.

I have the honor to submit application and papers as per margin from 22 raiyats of the village of Churchagundi, Shikarpur taluk, for the incorporation of an Agricultural Bank. This village is about 7 miles to the south of Shikarpur and is a populous village. Sugar-cane cultivation is carried on very largely and the lands are greatly appreciated. The Shanbhog and Patel are the principal members of this Bank and the Patel and one Irappa, a raiyat, are particularly well-to-do and respectable, and there is every guarantee of the Bank being safely and carefully managed.

1. Loan application with Amildars' report No. 605, dated 7th February 1896.
2. Memorandum and articles of association.
3. Statement showing the applicants' property, &c.
4. Extract from the Taluk map of the village of the applicants.

2. The applicants own altogether 350 and odd acres valued by the Amildar at about Rs. 10,000 They are worth a great deal more, and as their combined debts do not exceed Rs. 3,000, the loan applied for may be sanctioned without hesitation.

3. I beg accordingly to recommend that sanction may be conveyed to the starting of the Bank and the grant of a loan of Rs. 5,000 from Government. Early orders are requested, as this is the proper season for agricultural operations.

No. 9062-64—R. F. 116-95, DATED, BANGALORE, 1ST APRIL 1896.

ORDER THEREON.—As recommended by the Deputy Commissioner, the Government are pleased to sanction an advance of Rs. 5,000 being made for the proposed Agricultural Bank at Churchagundi, and to authorize him to place the said sum at the Shikarpur taluk Treasury for the purpose. Interest must be recovered from the Bank half-yearly up to 30th June and 31st December of each year, at 4 per cent per annum, on the sums actually borrowed by the Bank.

Letter No. 945, dated 24th March 1896, from the Deputy Commissioner of the Bangalore District.

No. 9156-64—R. F. 111-95, DATED, BANGALORE, 6TH APRIL 1896.

ORDER THEREON.—With the above letter, the Deputy Commissioner submits the Memorandum and Articles of Association of the proposed Agricultural Bank at Tyamagondlu in the Nelamangala Taluk.

2. The Bank is proposed to be established for the benefit of 32 villages situated in the Hoblis of Doddabele, Nijagal and Begur, and there are 52 members who own 2,261 acres of land (of which 177 are Inam) the aggregate value of which is estimated at Rs. 1,04,765 with a liability of Rs. 4,105.

3. The members propose to start the Bank with a capital of Rs. 1,04,000 calculated at the rate of Rs. 2,000 for each member, and the Amildar also recommends the grant of an advance of this amount without any scrutiny as to the value of the property held by such individual member or of his liabilities, but simply says that the assets and liabilities of each member would be ascertained before the loan is actually granted.

4. The 1st General Assistant Commissioner considers that the advance applied for is excessive and recommends that the capital which should be advanced by Government should be limited to Rs. 50,000 while the Deputy Commissioner says that, if the Government are pleased to grant the loan, the first instalment may be limited to Rs. 50,000.

5. Under all the circumstances of the case and having regard to the aggregate value of the property held by the members, Government are pleased to sanction an advance not exceeding Rs. 50,000 being made for the Agricultural Bank at Tyamagondlu, and to authorize the Deputy Commissioner to place the said amount in the Nelamangala Taluk Treasury. Interest must be recovered from the Bank half-yearly up to 30th June and 31st December of each year at 4 per cent per annum on the sums actually borrowed by the Bank.

6. The Deputy Commissioner is requested to recover the stamp duty and take early steps to get the Memorandum and Articles of Association duly registered.

7. The Deputy Commissioner's attention is drawn to the fact that the statement prescribed in para 4 of Government Proceedings No. 5038-47—Fi.274, dated 2nd December 1895, should have been prepared and submitted in English.

READ :—

Letter No. 2614—268, dated 12th February 1896, from the Inspector General of Police in Mysore, with enclosures.

With reference to Government Proceedings No. 24251-84—R. 3538, dated 19th June 1895, (which was not circulated to my office and a copy of which I had to obtain for reference) sanctioning the increase of permanent advances of the Heads of Departments and the Deputy Commissioners of the Bangalore and Mysore Districts to Rs. 300, and those of other Deputy Commissioners to Rs. 200, to meet urgent requirements, I have the honor to forward herewith copies of the marginally noted correspondence; and with reference thereto to report that a permanent advance of Rs. 30 is now allowed to all the District Police offices except Hassan which holds a permanent advance of Rs. 25. The Deputy Commissioners of Districts think that this advance is quite inadequate to meet the urgent demands made on the District Police office and they unanimously recommend that the same should be raised to Rs. 100 for the following reasons —

This office No. 812—56, dated 22nd August 1895, to the Registrar to the Inspector General of Prisons.
No. 397, dated 14th September 1895, from the Registrar to this office.
No. 2944, dated 20th November 1895, from the Comptroller to this office.
This office No. 1847—59, dated 1st December 1895, to Comptroller.

I. Whenever Police officers and men are detailed on special duty in connection with the detection of cases they will require some money to be given to them for their travelling expenses, and for paying for information leading to the detection of cases.

II. Police officers are required to escort under-trial and convicted prisoners from one District to another, and sometimes to the Central Jail at Bangalore. They have also to escort prisoners from District Jails to the Bangalore Central Jail. Except the cost of feeding prisoners, the Jail Superintendents do not advance any money to Police officers, not even the railway fare of convicts.

III. According to the Circular Orders in force in the Police Department, criminal wandering gangs going to work in the coffee plantations or on public works, have to be escorted by policemen who will have to be advanced money for their travelling expenses.

IV. Sometimes Police officers of the British territory coming on special duty into the Mysore State apply for advances which cannot well be refused.

V Superintendents of Police travelling in their District on duty, and for long periods, have to disburse cart-hire for the number of days so travelled. The permanent advance being limited, it does not admit of the payment being made promptly.

2. Demands of the above nature are of every day occurrence in the District Police offices. The practice hitherto in force in the Districts was to draw advances from the District Treasury and adjust them on the receipt of audited travelling allowance and other bills from the Comptroller. By the recent orders of Government the practice of drawing advances from the Treasury for urgent expenses has been put a stop to, and the permanent advances at the disposal of the Deputy Commissioners in the Revenue Department have been increased as above stated, but this not having been done in the Police Department, the Superintendents of Police are put to very great inconvenience in meeting urgent demands made on them.

3 I beg, under these circumstances, that the permanent advance allowed for the District Police office may be increased from Rs. 30 to 100 for all Districts except Bangalore and Mysore Districts, the permanent advance for which may be increased from Rs. 30 to * Rs. 125. This will obviate the necessity for advances being drawn from the District Treasury and tend to facilitate the despatch of work.

* For the Bangalore District Police office Rs. 100-0-0, Bangalore City Police Rs. 25-0-0. Same for Mysore.

---

(1) No. 812—56, dated 22nd August 1895, enclosure to the above.

I have the honor to inform you that in cases in which prisoners are sent from District Jails to the Central Jail, Bangalore, and *vice versa*, the officer in charge of the Jail simply sends an order to the Police to escort prisoners without advancing them any money for their expenses. The Deputy Commissioner or the Superintendent of Police is often obliged to draw advances from the Treasury and adjust them after the receipt of the audited batta bills from the Comptroller. This system of drawing advances from the Treasury has given rise to great inconvenience, the Treasury officer sometimes refusing and sometimes complying with the Superintendents' requests. The permanent advance allowed for the District Police, *viz.*, Rs. 25 being very limited, it does not admit of sufficient advances being made to dafadars and constables escorting prisoners. This inconvenience has often been brought to the notice of this office. I beg that the Superintendents of Jails may be authorized to advance a reasonable amount for the expenditure likely to be incurred by the Police officers escorting the prisoners including the cost of feeding them on the road, subject to adjustment in due course.

---

(2) No. 397, dated 14th September 1895, enclosure to the above.

With reference to your letter No. 812—56, dated 22nd ultimo, stating that much inconvenience is experienced in drawing advances from the Treasury to meet the expenses of Police officers escorting prisoners from District Lock-ups to Jails and *vice versa*, and requesting that the Superintendents of Jails may be authorized to advance a reasonable amount for such expenditure, subject to adjustment in due course, I am directed to state that all the Superintendents of Jails, who were consulted on the subject, are of opinion that, as the amount of permanent advance allowed to their Jails is hardly sufficient to meet their own wants, the same inconvenience as is complained of by you would be also felt by them. The best course which, under the circumstances, suggests itself to the Inspector General of Prisons is, that it would be advisable for you to apply to Government for increasing the amount of the permanent advance allowed to the District Police.

---

(3) No. 2944, dated 25th November 1895, enclosure to the above.

I have the honor to state that the drawing of advances from the District Treasury of sums required from time to time on account of Police secret service, is becoming very frequent and these advances are allowed to remain unadjusted for a long time. I request, therefore, that you will be so good as to inform me whether the amounts required for the purpose in question may not be drawn from

the Treasuries on abstract contingent bills, and accounted for on detail bills in the same manner as contingent charges. This procedure will not only obviate the necessity for the amounts being treated as advances for long periods but has the advantage of these amounts being charged off to their proper head of account in the month in which they are drawn from the Treasury

---

(1) No 1847—39, dated 1st December 1895, enclosure to the above.

With reference to your letter No 2944 dated 25th November 1895, requesting to be informed whether the amount required for expenditure under the head "Secret Service" may not be drawn from the Treasury on abstract contingent bill, and accounted for in the detailed contingent bill at the end of the month, and stating that this procedure will obviate the necessity for the amounts being treated as advances for long periods, I have the honor to inform you that the amount drawn in advance from the Treasury under the head 'Secret Service" is advanced to Police officers, who are detailed on special duty in the detection of cases These officers go to different places and return to head-quarters after some months, and then submit bills for the expenditure incurred by them.

It is only after this the bills submitted to this office are countersigned and returned to the Deputy Commissioner for the expenditure being charged in the detailed contingent bill and the amount drawn from the Treasury adjusted. As the Police officers to whom the "Secret Service" money is advanced, do not return from their special duty within the month in which the amount is drawn from the Treasury it is not possible to adjust the amount drawn in advance from the Treasury in the manner suggested by you

In Proceedings No 24251 84—R 3538, dated 19th June 1895, the Government have sanctioned the permanent advances of the Heads of Departments being increased to Rs 300 to prevent advances being drawn from the Treasury for urgent expenses

In conformity with the Orders of Government, I have issued a Circular, calling upon the Superintendents of Police to report if the permanent advance of Rs 30 held by them in each District to meet urgent expenditure is sufficient or if the same should be increased. On the receipt of replies from all the Districts I will submit my proposal to Government for the increase of permanent advance to a reasonable sum in each District Police office. If my proposal is sanctioned, it will in a measure put a stop to advances being drawn from the Treasury under the head "Secret Service" or other heads

---

No. 156-57, DATED, CAMP MYSORE, 17TH APRIL 1896.

ORDER THEREON.—Under the circumstances represented by the Inspector General of Police the Government are pleased to authorize the permanent advances now held by District Police officers being increased as recommended in para 3 of Mr. Madhava Rao's letter; sums defrayed out of the said advances will be recouped and adjusted in the manner described in Proceedings No. 24251-84—R. 3538, dated 19th June 1895.
